The Honorable Kay Granger  
Chair  
House Appropriations Committee

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Antioch Public Works Facility project in fiscal year 2024. The entity to receive funding for this project is the Village of Antioch, IL, located at 874 Main Street, Antioch, IL 60002.

The funding would be used towards the construction of a new public works facility to serve the village and the surrounding area. The project is an appropriate use of taxpayer funds because it would help ensure the ongoing and continued services that Antioch provides its residents, and would invest in a facility that would support maintenance and upkeep of village assets that serve the public.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant program, specifically: 42 U.S.C. 5305(a)(2):

*5305(a)(2) – the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements;*

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
