The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,320,000 for the Antioch Township Community Center Rehabilitation Project in fiscal year 2027.

The entity to receive funding for this project is Antioch Township, located at Antioch Township, 1275 Main Street, Antioch, IL 60002. The funding would be used for improving accessibility, safety, and functionality at the Township Center, a historical building that provides citizens with essential government services in a centralized location.

The project is an appropriate use of taxpayer funds because improving accessibility strengthens the Township Center's role as an active public gathering place that connects residents with resources while ensuring equal access to community programs and services. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
