The Honorable Kay Granger  
Chair  
House Appropriations Committee

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Archer Business Center project in fiscal year 2024. The entity to receive funding for this project is the Village of Mundelein, IL, located at 165 N. Archer Avenue, Mundelein, IL 60060.

The funding would be used for the rehabilitation of an industrial building owned by the village to be used as a community business center offering commercial space for rent and use by the public. The project is an appropriate use of taxpayer funds because it directly supports the economic development of downtown Mundelein and creates a public resource for local small businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant program, specifically 42 U.S.C. 5305(a)(4):

*5305(a)(4) clearance, demolition, removal, reconstruction, and rehabilitation (including rehabilitation which promotes energy efficiency) of buildings and improvements (including interim assistance, and financing public or private acquisition for reconstruction or rehabilitation, and reconstruction or rehabilitation, of privately owned properties, and including the renovation of closed school buildings);*

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
