The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,000,000 in funding for City of Zion Drinking Water Improvement Project in fiscal year 2027.

The entity to receive funding for this project is the City of Zion located at 2828 Sheridan Road Zion, IL 60099. The funding would be used to improve the drinking water infrastructure by rehabilitating and replacing transmission and distribution pipes as well as lead service lines to prevent contamination caused by leaks or breaks and to maintain water pressure at safe levels.

The project is an appropriate use of taxpayer funds because it will reduce the need for frequent and costly repairs to the water distribution system, improve public health by eliminating exposure to lead, and ensure stable, reliable, and safe drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
