Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,000,000 in funding for Diamond Lake Park Improvement Project in fiscal year 2027.

The entity to receive funding for this project is the Mundelein Parks and Recreation District located at 1401 N. Midlothian Road Mundelein, Illinois 60060. The funding would be used for stormwater management improvements and shoreline stabilization designed to reduce nonpoint source pollution and protect water quality. These improvements will intercept and manage runoff before it enters the lake while stabilizing the shoreline to prevent ongoing erosion.

The project is an appropriate use of taxpayer funds because it will prevent continued sediment accumulation, protect downstream water quality, and prevent continued sediment accumulation that can degrade water quality, reduce aquatic habitat, and increase long-term maintenance and restoration costs.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
