The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Area Maintenance Support Activity in Fiscal Year 2027. The entity to received funding for this project is Phillip H. Sheridan Army Reserve Center located at 3155 Blackhawk Drive, Fort Sheridan, IL 60037.

The funding would be used to provide a modern vehicle maintenance facility to support the equipment readiness of 615 military vehicles assigned to Army Reserve units in the region.

The project is an appropriate use of taxpayer funds because the existing aging facilities were constructed in 1939 and no longer support the maintenance requirements of the larger and more advanced equipment now in the Army's inventory. This funding will also provide job opportunities to civilians in neighboring communities.

The project has a federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169 and the National Defense Authorization Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
