The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,200,000 in funding for the Lake County Tech Campus Collaboration Space in fiscal year 2027.

The entity to receive funding for this project is the Lake County Technology Campus located at 19525 W. Washington Street Grayslake, IL 60030. The funding would be used to support the rehabilitation and modernization of an existing meeting and collaboration space at the Lake County Tech Campus, a regional career and technical education center serving high school students across Lake County, Illinois.

The project is an appropriate use of taxpayer funds because the Campus will function as a flexible, multi-purpose environment designed to support workforce development activities and strengthen connections between students, educators, employers, and community partners.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
