The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the New Century Town Water Reclamation Facility in fiscal year 2024. The entity to receive funding for this project is the Lake County Department of Public Works, located at 650 W. Winchester Road, Libertyville, IL 60048.

The funding would be used for the upgrade of the facility's wastewater treatment operations. The project is an appropriate use of taxpayer funds because this facility serves more than 27,000 residents of Lake County, its continued operation is critical to the community, the current treatment technology is at the end of its useful operational lifespan.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
