The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$463,716 in funding for Village of Wheeling Public Works Facility Fuel Tank Replacement in fiscal year 2027.

The entity to receive funding for this project is the Village of Wheeling located at 2 Community Blvd Wheeling, IL 60090. The funding would be used for capital improvements and rehabilitating the existing underground fuel tank.

The project is an appropriate use of taxpayer funds because it will prove a more reliable fueling station, ensuring all firstresponder vehicles have the fuel they need to perform their duties when there is an emergenc, and reduces the risk of groundwater contamination.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bradley S. Schneider".
